TRAFFIC ADVISORY

For Immediate Release

Friday, March 24, 2017

Upcoming Harbor Bridge Project lane closure affects West Causeway Boulevard, East Causeway Boulevard, US 181, and Seigler Street

CORPUS CHRISTI – Lane closures are scheduled on various roads from March 27, 2017, to June 3, 2017, related to construction of the Harbor Bridge Project. All work is weather permitting.

US 181 FRONTAGE ROAD (WEST CAUSEWAY BOULEVARD) – Single Lane Closures

The southbound right lane and shoulder of West Causeway Boulevard will be closed intermittently between Burlison Street and Avenue F. The southbound left lane of West Causeway Boulevard will be closed between Beach Avenue and Burlison Street. These closures will take place between 7:30 a.m. and 5 p.m.

US 181 FRONTAGE ROAD (WEST CAUSEWAY BOULEVARD) – Full Road Closure

Additional closures will take place at southbound West Causeway Boulevard to include a full closure between Beach Avenue and Burlison Street. These closures will take place between 7:30 a.m. and 5 p.m. as well.

US 181 MAIN LANE

The southbound right main lane of US 181 will also be closed from Beach Avenue to Gulf Spray Avenue. This lane closure will begin no earlier than 8 a.m. and will end by 4 p.m.

SEIGLER STREET

The southbound left lane of Seigler Street will be closed between St. Charles Street and Burlison Street. The closure will be from 8 a.m. to 4 p.m. each day.

EAST CAUSEWAY BOULEVARD

The southbound right lane of East Causeway Boulevard will be closed between Burlison Street and Breakwater Avenue. All other lanes of East Causeway Boulevard will remain open.

From April 10, 2017, to June 3, 2017, traffic along southbound West Causeway Boulevard at Beach Avenue will be detoured to Timon Boulevard and Burlison Street as work is performed.

No lane closures will occur during the following holiday peak times:

- April 13, 2017 - April 17, 2017
- May 25, 2017 - May 30, 2017

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
