### TRAFFIC ADVISORY

For Immediate Release

June 15, 2018

### **Upcoming Harbor Bridge Project closures to affect SH 286 (Crosstown Expressway)**

*Closures to affect main lanes of SH 286 between Agnes and Leopard*

---

**CORPUS CHRISTI** – Various daily and nightly lane closures on State Highway 286 (Crosstown Expressway) main lanes will take place between Agnes Street and Leopard Street beginning Monday, June 18, 2018 through September 2018 as part of the Harbor Bridge Project. Intermittent daily and nightly closures affecting the northbound and southbound main lanes of SH 286 will not last more than 24 hours. Frontage roads will remain open. All work is weather permitting.

The lane closures are necessary to complete the reconstruction of the Comanche Street Bridge, which is expected to open to the public by late August 2018.

**Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.**

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
