TRAFFIC ADVISORY

For Immediate Release

October 3, 2018

Upcoming Harbor Bridge Project closures to affect Port Avenue

Closures will affect Port Avenue intersection at IH 37

CORPUS CHRISTI – The northbound and southbound lanes of Port Avenue will be reduced to one lane in each direction as motorists approach the IH 37/Port Avenue intersection. Lane reductions/closures will begin Monday, October 15, 2018 and remain through March 2019 as part of the Harbor Bridge Project. The closures and lane reductions are necessary for the reconstruction of the Port Avenue Bridge. Frontage roads will remain open. All work is weather permitting.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
