### TRAFFIC ADVISORY

For Immediate Release

October 10, 2018

### **Upcoming Harbor Bridge Project lane closures to affect US 181**

*Closures to include NB lane reductions*

---

**CORPUS CHRISTI** – The northbound lanes of US 181 will be reduced to two lanes between Burleson Street and Beach Avenue beginning Wednesday, October 24, 2018 through December 31, 2020 as part of the Harbor Bridge Project. The lane reductions are necessary to complete drainage work on US 181 and to complete the US 181 detour that will be utilized throughout construction. Frontage roads will remain open. All work is weather permitting.

**Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.**

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit [www.harborbridgeproject.com](http://www.harborbridgeproject.com).
