TRAFFIC ADVISORY

For Immediate Release

January 8, 2018

Upcoming Harbor Bridge Project lane closures to affect IH 37 near Staples Street Bridge

Closures necessary to set beams for new Staples Street Bridge

CORPUS CHRISTI – The main lanes of IH 37 will be closed nightly between Tanchaua Street and SH 286 (Crosstown Expressway) beginning Thursday, January 10, 2019 through Sunday, January 13, 2019 as part of the Harbor Bridge Project. This is a full freeway closure. The closures will take place overnight beginning at 9 p.m. and ending at 6 a.m. and are necessary to set beams for construction of the new Staples Street Bridge. All work is weather permitting. Frontage roads will remain open and detours will be in place. See attached map for recommended alternate routes for motorists during the IH 37 overnight closures.

Commercial truck traffic traveling the Harbor Bridge during this time period is encouraged to utilize the Joe Fulton Corridor as an alternate route.

Motorists are urged to be aware of the lane closures, to consider using alternate routes, to follow all traffic control devices, and to slow down in the work zones.

For information about all current and upcoming lane closures related to the Harbor Bridge Project, visit www.harborbridgeproject.com.
